Registration and Title Bulletin # 109-00

To: All County Tax Assessor-Collectors

Subject: Uniform Lienholder Address for GMAC

PURPOSE

To clarify the information provided in Registration and Title Bulletin (RTB) #91-00 regarding the uniform GMAC lienholder address, which is to be used in an effort to reduce the file space in the master vehicle file.

DETAILS

General Motors Acceptance Corporation (GMAC) has notified the department and confirmed that the address provided in RTB #91-00 is acceptable and should be used when entering lienholder information for GMAC into the RTS system. This central address for the mailing of GMAC titles is as follows:

GMAC
PO BOX 8104
COCKEYSVILLE MD 21030-8104

GMAC has also reported a problem with title applications being rejected. We would like to respectfully remind the counties to accept all title applications listing GMAC as the lienholder, regardless of the address shown. Counties should disregard the lienholder's name and address printed on the Application for Texas Certificate of Title (Form 130-U) and enter the address provided above. (The GMAC address listed above should not be used for GMAC OF CANADA, GMAC OF CANADA LIMITED, OR GMAC OF CANADA LTD.) Dealers using the DTA system should also be utilizing the correct mailing address provided above.

It is important that the counties use the above address exactly as it appears. The Information Systems Division is still identifying variations of the above address being entered into the RTS system, which occupies additional storage space. When entering the correct lienholder address for GMAC, please ensure that unnecessary spacing and punctuation is eliminated.
